

Pneumatic Actuators and Double acting up to 10,000Nm

Electro Pneumatic Positioners 4-20ma

Large Electric Actuators 240AC or 24AC/DC

Pneumatic Solenoids for single and double acting 12-240V

Pneumatically Actuated Ball Valve

Actuated quarter turn valves including

- Butterfly Valves and
- Ball Valves (ISO Mount)

Direct mount or coupling and bracket mount

Actuated butterfly valve with switch box and pneumatic control

Limit Switch Boxes, Mechanical and proximity switches. Exd available

Limit Switch Boxes

Small Electric Actuators 240 AC or 24 AC/DC

Declutchable Gearbox

Electrically Actuated Valve

ACTUATION OF VALVES

The Brook quarter turn valve range is also available as a complete actuated valve package, with sing or double acting pneumatic actuators or electric actuators in a variety of AC or DC voltages.

The range can be supplied assembled and tested ready to install with a comprehensive range of options and accessories including solenoid valves, positioners, limit switches and more.
